Corporate Citizenship

“If you point to one single factor that made us what we are today, it is serving the poorest of the poor in this country. It has actually made us prosperous. Of course we didn't stop there. And we continue to bring affordable medicines to people.”

- Dr. K Anji Reddy

- + **School Improvement Program (SIP):** SIP aims at ensuring continuous quality education to students from less privileged backgrounds. Through this program, Dr. Reddy's has played an important role in shaping the lives of over 25,000 students from 60 Government schools in Andhra Pradesh and Telangana.
- + **Livelihood and Skilling:** Dr. Reddy's GROW is a skilling initiative that helps unemployed youth from marginalized sections and people with disabilities. The program has impacted over 300,000 youth through placement and training. Also, over 16,000 farmers have been benefited through MITRA, a livelihood program that aims at empowering and educating farmers.
- + **Community Health Intervention Program (CHIP):** CHIP aims at improving access to primary healthcare for people in rural communities, with a special focus on reducing the mortality rate of infants and children. The program has impacted a population of over 214,000 in 145 villages.
