## Dr. Reddy's Laboratories Limited to present at the 36th Annual J.P. Morgan Healthcare Conference

Hyderabad, India, January 6, 2018

For Immediate Release

Hyderabad, India and Princeton, NJ, USA. January 6, 2018 — Dr. Reddy's Laboratories Ltd (BSE: 500124, NSE: DRREDDY, NYSE: RDY) announced that the Company will be presenting at the 36th Annual J.P. Morgan Healthcare Conference in San Francisco, California.

Alok Sonig, Executive Vice President and Head, North America will present on Tuesday, January 9, 2018 at 2 p.m. (PST) [3:30 a.m. IST on January 10, 2018].

Presentation material will be available on the Company's website [www.drreddys.com](http://www.drreddys.com)

### Biographical Information:

Alok Sonig is Executive Vice President (Global) and Head of the North America region for Dr. Reddy's Laboratories. He is a member of the Global Management Council for the corporation. Alok joined Dr. Reddy's in June 2012, running both the India-region in addition to Global Business Development. During his tenure, the India business delivered industry-leading growth and saw successful acquisitions and integration of strategically important businesses. Prior to joining Dr. Reddy's, Sonig spent nearly 15 years at Bristol-Myers Squibb, where he held several leadership positions in general management, country leadership, global strategy and marketing, mostly based in the U.S. His last role was Vice President of Strategy in Princeton, New Jersey. Before joining Bristol-Myers Squibb, Sonig was based in Washington, D.C., where he spent several years as a management consultant working in various industries on strategy and innovation assignments, including health care, technology and telecommunications. Currently, he is a board member of the Association for Accessible Medicine. He holds a Bachelors of Engineering degree from Punjab Engineering College in India, as well as a Masters in Business Administration from American University in Washington, D.C. Sonig is married with two daughters and lives in the Princeton, New Jersey, area.
