Dr Reddy's starts supply of Sputnik V first doses

The development came following the announcement that Panacea Biotec supplied the first shipment of the second component of the Russian Sputnik V vaccine manufactured by it for sale in India.

By: PTI September 07, 2021 9:25 PM

“As announced by our partners, the RDIF and Panacea Biotec, supply of the second dose component manufactured by Panacea Biotec has now commenced. [Dr. Reddy's](#) has initiated supply of the first dose component to partner hospitals all over India followed by equivalent quantities of the second dose component,” the spokesperson said.

With more batches of the second dose component to follow from the manufacturing site, Dr Reddy's expects the momentum and supply to continue, the official added.

Dr Reddy's is in a pact with RDIF to sell the first 125 million people doses (250 million vials) of COVID-19 vaccine Sputnik V in India.
