Dr Reddy's expands data science team, appoints new Head of Analytics

The new role will strategically shape decision-making and embed data culture within the group.

ETCIO • April 05, 2022, 13:55 IST

Dr. Anish Agarwal has joined Dr Reddy's as a Head of Analytics. Previously he worked with NatWest Group where he last served as Director, Data & Analytics.

Agrawal had joined NatWest in 2014 as Vice President & Head of operations- Front Office Analytics and made his way to Director of Data & Analytics in 2016.

In his new role, he will be working towards building data-driven solutions and on

He believes this will strategically shape decision-making and embed data culture.

Agarwal has been associated with companies like Clifford Chance and Vertex Data Science. Holding a PhD in Computer Science, he has also done various certifications from Harvard Business School and MIT Sloan School of Management.
